Re: Monthly Police Report June 2015

During the month of May 2015 the La Pointe Police responded to the following:

- 49 Incidents/Complaints
- 3 Citizen Assists
- 4 Vehicle Registrations
- 2 Accidents
- 4 Civil Process
- 1 False Alarm
- 2 Animal Calls

May was a typical May; a big boost in call numbers is letting us know that the summer is coming.

There is a lot in store for our community in the Month of June including the Inline skate marathon that will be June 20. There should not be any changes to what we have done in the past. The sheriff's department will be coming over with DNR and GLIFWC Wardens to aid in the event.

Click it or ticket ended on May 31, I will be finalizing the paperwork for that. We are high hopes that although we did not receive a grant last year, that this will once again be our year to land a grant. There is specific expensive equipment that is due to be replaced, and this is how we have been trying to replace it instead of putting it in our budget.

Two new officers have been hired and I thank you all for the approval. We will be fully staffed and going full schedule before the end of June.

In May the officers who needed their yearly in-service training was completed at WITC in Ashland. Other than a few specialty trainings, we should be done for the year.

Adam Hage has been working on the new squad to get it ready for our use; you will start to see it around town. We are waiting for equipment to arrive to make it patrol ready, I am also in contact with a graphics company in Ashland to put graphics on it. The plan is to have it fully done before the end of June. The real wait has been with some vendors and the arrival of equipment that has to go in.
